Passport photo (80.48 KB)	↑	🗑️

+ Add new file

You can upload your resume, certificates or presentations from this section.
While your resume is being viewed, these files you add are also displayed by employers.
You can upload more than one file. The total size of the files you added should be at most **15 MB**.
Click the **Add new file** button to add a new file to your resume. You can add multiple files in this way.
